Assemblywoman Marilyn Kirkpatrick

North Las Vegas, NV 89031

Dear Assemblywoman Kirkpatrick,

It is my pleasure to inform you that the Government Affairs Committee of the Associated Builders and Contractors of Las Vegas (ABC) has voted unanimously to endorse your candidacy for re-election to the Nevada State Assembly in the general election. As you know, ABC is a construction industry trade association dedicated to the principles of free enterprise and open competition.

As an endorsed candidate, please reserve the lunch hour on Wednesday, September 24, 2008. ABC will be hosting a luncheon at Cili's Restaurant on that day so that our members can meet personally with all of the candidates ABC is supporting. Additional information on the luncheon format will follow shortly.

On behalf of ABC, I appreciate your willingness to serve your fellow citizens in an elected capacity. I am aware of the personal and professional sacrifice required to seek public office and, on behalf of my associates on the board, I pledge our support and resources to assist you in this endeavor.

I personally look forward to working closely with you both during the campaign and during subsequent legislative sessions. In the interim, should you have any questions regarding ABC in general or this endorsement in particular, please do not hesitate to call on me at any time.

I can be reached at 702-227-0536 during regular business hours or on my cellular phone, 702-408-6666 at any time.

Sincerely,

Warren B Hardy II
President
