

Marilyn Kirkpatrick.

On our side.

When it comes to where one stands, the answer for Marilyn Kirkpatrick is clear. *She's on our side.*

Marilyn Kirkpatrick is there for us in tough times.

With jobs and the economy on most people's minds, Marilyn Kirkpatrick is putting us first. She has legislation ready to go to get people back to work. Marilyn's "Nevada Jobs First" proposal gives preference to hiring Nevada citizens for public works projects and government contracts.

Marilyn Kirkpatrick is getting down to the essentials.

Marilyn is pushing new legislation to measure the performance of state programs and eliminate the programs that aren't working. She also believes the state should sell unused land and property which isn't scheduled to be used in the next several years. *It's time to get down to essentials.*

Marilyn Kirkpatrick works directly with emerging businesses.

Marilyn works with leaders in emerging new businesses to bring jobs to Nevada—jobs in clean energy, expanded medical care systems, and high tech manufacturing. *Each of those leaders emphasizes how important it is for Nevada to improve our education system.*

Marilyn Kirkpatrick understands the importance of education.

To attract good jobs, we need an excellent education system. Marilyn believes we need to reward academic achievement. She is also committed to attracting the best teachers possible while encouraging school districts to replace poorly performing teachers and cut the cost of middle management.

Marilyn Kirkpatrick...solid plans and on our side.
