

Marilyn Kirkpatrick's plan is built *from hands-on experience and common sense.*

Here's Marilyn's Plan for Better Schools in a nutshell ...

- ✓ **Reduce bureaucracy.** Put the savings into the classrooms.
- ✓ **Reward academic improvement.** Schools and teachers deserve it.
- ✓ **Eliminate the roadblocks to removing poor teachers.** Our children need qualified instructors.
- ✓ **Audit schools for efficiency.** Identify wasteful spending and eliminate it.

**Marilyn Kirkpatrick has always been
a champion of quality education...
*now she's building a better future for our children.***
