

Marilyn Kirkpatrick knows that we can't afford to repeat the same mistakes.

Efficient and accountable government is vital to successfully rebuilding our economy.

Marilyn Kirkpatrick is focusing on the **fundamentals of good government** ...

- **Responsible spending:** Let's eliminate waste and duplication so we can focus on vital services such as education and public safety.
- **Increased accountability:** It's our money; we deserve to know where it's going. Auditing government agencies and increasing oversight will tell us that.
- **Efficiency for the 21st Century:** We need to eliminate overlapping agencies and responsibilities. Let's streamline government so we can get back to full speed.

Marilyn Kirkpatrick...
she's one of us.

Marilyn is making government work. For us. For the future.
